

THE PONTELAND CIVIC SOCIETY

WHO belongs to The Society? -

**Anyone who supports its aims.
*We are Independent and non-political.***

WHAT are our Aims? -

To promote high standards of town planning, architecture and landscape.

To inform the public about its geography, history, natural history, architecture and landscape.

To ensure the preservation, protection and sustainable development of all its good features.

HOW DO WE MEET OUR AIMS?

- **We keep a watching brief on Planning and Licensing Applications and lodge objections where we feel the character of the Town may be compromised.**
- **We keep in touch with our Members to canvas their views and produce a newsletter to keep them informed.**
- **We provide regular talks on a wide range of topics within our brief. A high proportion of these talks are completely new and all are rewarding.**
- **We maintain constructive dialogues with the Town and County Councils and the PCP and other local bodies either directly or through Community Forums.**

IF YOU SUPPORT OUR AIMS, WHY NOT JOIN US?

- **The larger our membership, the stronger will be our voice and our ability to influence the development of Ponteland. To become a member please complete and return the application form below.**
