

Curtain Up On Broadway

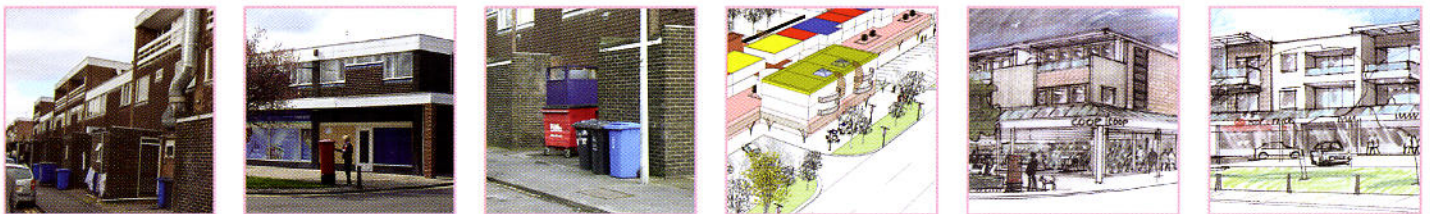

An invitation to attend an informal public presentation regarding the future of Broadway, Darras Hall

THE BROADWAY
DARRAS HALL 2007

Curtain up on Broadway

The Broadway at Darras Hall was originally built in 1960. In the forty years since it was built, its appearance has become increasingly outdated, inadequate and unacceptable within its surroundings. Since the recent change of ownership, a number of possibilities have been explored to remedy the issues arising from the shopping centre's current state.

Proposals will be unveiled and discussed at an informal public presentation on Monday 3rd December 2007 from 6:00pm till 8:30pm at Ponteland Memorial Hall, Darras Road, Ponteland, Newcastle upon Tyne, NE2 0NX.

All local residents and interested parties are invited and encouraged to attend.
